The listed rates are based on ferry fares, from entering the agreement, if ferry fares change, rates is adjusted accordingly. We accept no liability for costs incurred as a result of political and economic events beyond our control (**including the consequences of the Social and Mobility Package**). HCS is subject to price adjustment when changing freight balances. Vacation and holidays, are subject to extra travel time.

Responsibilities/limitations/set off

All orders are subject to the General Conditions of the Nordic Association of Freight Forwarders (NSAB) 2000 limiting our liability for loss, destruction and damage of goods to SDR 8.33 per kg. And for any delay up to an amount maximized to SDR 50,000 per order, unless the transportation is subject to legislation or a transport document which sets other limitations. For storage the freight forwarder's liability in respect to all entities for injuries, that occur at the same event, limited to SDR 500,000 (§ 27). Attention is drawn particularly to the fact, that claims against the freight forwarder are time-barred after 1 year (§ 30) and that the lien (§ 14) includes both current and previous claims. Claims for freight i.e. must be fulfilled regardless of the contract of sale (§ 10). In accordance with our claim on cargo payment, set off must not be invoked. For the issuance of T-document the issuer is responsible for the timely closure of the T-document, and all costs of the non-closure of T-document is of the issuers expense.

Complaints

Complaint claims must be made no later than on delivery, when it concerns any visible loss or damage, and otherwise within 7 days thereafter, Sundays and holidays not included. Complaint claims must be in writing, if loss or damage was not visible.

Cargo insurance

Cargo insurance policy is made when ordered. HCS encourages in all cases customers to take out a cargo insurance, if the cargo type and/or character makes an insurance relevant. HCS has taken out Freight Forwarders Liability Insurance (SAF) with reputable insurance company, as well as commercial/trade and liability insurance in accordance with statutory requirements.

Force majeure

HCS is not responsible for failure to meet its obligations during the agreement, provided that HCS can show that this is due to an impediment beyond HCS's control, which makes it impossible or unreasonably burdensome to fulfill the task, and which could not reasonably be expected to be taken into account by HCS prior to the occurrence of the impediment.

Law, Jurisdiction and Enforcement

These terms are subject to Danish law and the parties accept and agree the judicial district in which the HCS headquarters is located, as venue, (currently the district court of Glostrup, Copenhagen), or the Maritime and Commercial Court in Copenhagen, after HCS' s choice. It is accepted and agreed, that a judgement against the customer, shall be enforceable in any country where the customer has registered an office/branches/subsidiaries, i.e., and that HCS choose as country for execution. This also applies to health crises, epidemics or similar outbreaks, and recommendations from the authorities in the same context.

Storage by HCS

Pursuant to NSAB2000 §27 section C no 3, HCS does NOT take out insurance for fire, water and burglary in own name for account of client based on the insurance value of cargo +10% at the time of receipt for storage.

It is responsibility of client to ensure insurance coverage of the stored cargo whilst cargo is in custody of the forwarding agent.

General Terms and Conditions for Sale HCS 2020 Version 1.
