

Sorting Guide for Garden and Park Waste

What is garden and park waste?

Garden and park waste includes grass, hedges, hedge trimmings, and typically comes from landscapers, gardens, parks, cemeteries, and public facilities.

Garden and park waste is processed at one of HCS' facilities, where it is shredded, screened, and subsequently disposed of.

If you would like to order a collection, request a quote, or receive more information, please feel free to contact HCS customer service via email at info@hcs.dk or by phone at the following numbers. We look forward to hearing from you:
