

Sorting guide for Food and Drink Cartons

MAD- & DRIKKE-
KARTONER

What are food and drink cartons?

Food and drink cartons are all types of paper cartons used for beverages and food products, such as milk, juice, tomato paste, and yogurt.

Food and drink cartons are collected from businesses and households, then transported to HCS's facilities where they are inspected, baled, and subsequently sold for recycling.

If you would like to request a pickup, get a quote, or need more information, feel free to contact HCS customer service via email at info@hcs.dk or at the following phone numbers. We look forward to hearing from you:
