

## Sorting Guide for Paint Waste

MALING

### What is paint waste?

Mixed paint waste (UN 1263) includes, for example, paint products, paint packaging, hardened epoxy and paint residues, and cleaning cloths.

Mixed paint waste is processed at one of HCS' facilities, where it is reloaded and subsequently sent for recovery at an approved treatment facility.

If you would like to order a collection, request a quote, or receive more information, please feel free to contact HCS customer service by email at [info@hcs.dk](mailto:info@hcs.dk) or via the following phone numbers. We look forward to hearing from you:

- Zealand - Phone +45 43 42 41 00
- Funen - Phone +45 66 16 90 55
- Southern and Central Jutland - Phone +45 86 40 70 88
- Northern Jutland - Phone +45 98 82 08 11

### YES, PLEASE

- Paint products
