

## Road tax in Belgium

March 2016

### Road tax in Belgium comes into force 1st. of April 2016

From 1st. of April all vehicles over 3,5 tonnes must have OBU unit in the windshield for settlement of the road tax in Belgium.

OBU is short of On Board Unit.

The road is charged both for transports to and from Belgium as well as for transit.

As a consequence of the new road tax in Belgium, we will from 1st. April 2016 charge following rates:

#### **Transports to or from Belgium**

EUR 52,00 per full load

#### **Transit through Belgium**

Northbound/Southbound v.v.

EUR 41,00 per full load

Eastbound/Westbound v.v.

EUR 65,00 per full load

The fee will be stated as a separate line on future freight invoices.

If you have questions, please consult your usual contact person.
